Dear parents and carers,

Re: Chicken pox

We have had several confirmed cases of chicken pox in the last 2 weeks.

NHS guidance states

To prevent spreading the infection, keep children off nursery or school until all their spots have crusted over. Chickenpox is infectious from 1 to 2 days before the rash starts, until all the blisters have crusted over, usually 5 to 6 days after the start of the rash.

As we have had more cases of chicken pox being reported this week already, we felt it important to let parents know.

Kind regards,

Mrs A Lambourne
Matron.

Our School Values are: Inclusion, Perseverance, Honesty, Respect, Responsibility and Collaboration.
